HALL OF FAME FOR GREAT AMERICANS  
2 Washington Square Village  
New York, New York

Dear Sir:

I wish to endorse the election of Clara Barton, founder of the American Red Cross, to the Hall of Fame for Great Americans.

I am a founding member of the Unitarian Universalist Women's Federation which inherited from the Association of Universalist Women ownership of the Clara Barton Birthplace in North Oxford, Mass., and which started the Clara Barton Camp for Girls with Diabetes on the same property as a living memorial to Clara Barton.

We are very proud of her accomplishments and feel that her election to the Hall of Fame is well deserved, along with the election of several of her friends who were among the "liberated" women of their day. I am assuming that Susan B. Anthony, Lucy Stone, Mary Livermore, Julia Ward Howe, et al. have already been thus honored.

Would you be kind enough to forward announcement of Miss Barton's election to the Unitarian Universalist Women's Federation, Barbara V.L. Marshall, Executive Director, 25 Beacon Street, Boston, Mass. 02108.

Sincerely yours,

*Eleanor P. Genhart*  
(Mrs.) Eleanor P. Genhart

.....former Executive Director  
Association of Universalist  
Women.....

cc: Barbara V.L. Marshall
